Dean's List
Bachelor of Arts in Digital Film Production with an emphasis in Screenwriting
- **Pierce College**
2020-2022
Associate of Arts
- **Rogers High School**
2019-2022
High School Diploma

SKILLS

- Digital media and social media content production, specializing in video and film production, screenwriting, editing, photography, and videography. Proficient in Adobe Creative Suite, Microsoft Office, and presentation tools (PowerPoint, Google Slides, Keynote). Strong project management, collaboration, and communication skills, with a proactive work ethic and keen attention to detail under pressure. Confident storyteller and presenter with strong verbal, written, and time management abilities.

EXPERIENCE

Kvibe Studios

Production Intern

New York City Metropolitan Area

2024

- Supported the production team across New York City and Jersey City, coordinating shoots, overseeing logistics, and handling equipment. Contributed to pre-production tasks, including pitch meetings, script revisions and storyboarding, and supported the post-production of feature films and commercials.
- Wrote, directed, and edited commercials, short-form videos and behind-the-scenes content. Designed graphics for thumbnails, logos, posters, banners, and ads. Developed and executed multiple advertising campaigns and contributed to content strategy. Assisted in the production of a network show, gaining valuable experience in high-level media production.

Phoenix Film Festival

Presenter

2024

- Presented multiple films and led Q&A sessions with cast and crew.

The English Garden Fine Florals

Delivery Driver

Laguna Beach, CA

2023

- Designed stickers and logos. Delivered hundreds of flower arrangements all across Orange County area.

Farrelli's Pizza

Host

Puyallup, WA

2022-2023

- Seated and provided exceptional service to over 50 customers daily, both in-person and through online orders, demonstrating strong multitasking abilities and a commitment to customer satisfaction.
